ARIES MK-330 WARRIOR

The Aries 330 Warrior is the first of our new line of Night Vision weapon sights produced under the brand name of Black Lion Optics. The 330 Warrior is an affordable, high quality 1st. generation weapon sight. It sports features such as a new super fast front lens system for optimal brightness, easy push button operation and a reticle brightness adjustment. The Warrior also comes with our new detachable, most powerful in the industry 450mw Infrared Illuminator with dedicated windage and elevation adjustments. This new IR lets you see even in total darkness up to 150 yards away! If you are looking for an inexpensive, quality 1st gen. riflescope the Aries 330 Warrior is your scope.

The new detachable, most powerful in the industry 450 mW Infrared Illuminator light greatly enhances the performance of your Aries scope, while remaining almost totally invisible to the naked eye.
